

# Blue Spruce - Term 5 'How Does Your Garden Grow?'

In Term 5, the children will learn about garden environments and how they relate to their local areas

In RE, we are learning about Pentecost  
For this term's PE, we are swimming each week

This term our learning will include:

- Visiting the gardens at Great Dixter to learn about the range of plants there
- Returning to Great Dixter in Term 6 and documenting the seasonal changes we see
- Analysing the different parts of a plant to understand to understand how each of them works
- In art, we will be exploring how different artists have use plant-life as inspiration for their work
