

# ACORNS - Term 5

## 'What a Wonderful World'

The children will explore the world around them finding out about themselves, their bodies and how to keep healthy.

In our learning this term, we will be:

- Finding information about our bodies and how they work
- Collecting, comparing and analysing body data and creating a class database
- Naming and labelling parts of the body.
- Gym set up for outdoor classroom
- Going on a woodland walk. Gathering different textures from the environment. Making journey sticks using different textures found in the environment – then creating maps.
- Creating a class leaflet / map of woodland walk identifying plants etc.
- Environmental artwork
- Observing our ant world, wormery and butterfly garden
- Acting out and retelling the story of the 0 Things I can do to Help my World, What the Ladybird Heard, Yucky Worms, NO DINNER! and One Day, On Our Blue Planet ... In The Savannah
- Creating a class version and our own versions of books we have read

We will also be:

- Exploring fruits and making fruit salad / kebabs
- Making healthy meals
- Producing a binary tree - fruit data.
- Collecting favourite fruits data.
- Reading the Gingerbread Man /The Runaway Chapatti - act them out and create our own version
- Producing a poster to show how to save our World
- Visiting and exploring Rye Harbour.
