

This term, the children will be learning about how we can help our world

Red Maple – Term 5  
'What a Wonderful World'

This term, our learning will include

- Discovering how baby animals grow and what their basic needs are
- Exploring how the world has changed over time, in history
- Identifying the areas in the world where endangered species live
- Producing 'environmental art'
- Finding out about Pentecost in RE
- In PE, developing our athletics skills
- Using the computer programme '2Create' to develop our own stories, in Computing
- PSHE – examining questions such as 'How can our actions make a difference?' and 'How would you feel if you were in danger?'
