

Red Maple – Term 4 'Food, Glorious Food'

'Food, Glorious Food' is our learning journey theme for Term 4, and it involves us learning about food and farming.

In Term 4, our learning will include:

Science - Parts of plants and conditions for growth

History - Exploring the changes to the use of local land

Geography – key human features on the land

Art and DT – preparing simple observational drawings and 3D models

Computing – data handling

PE – net and wall games

PE – football

For our 'fabulous Finish' this term, we will be...
well... we are still trying to organise things, so
watch this space!!
