Dear Parents and Carers,

### Re: Easter Wishes

As the Easter weekend starts, I wanted to express my thanks, and those of the entire governing body, to you all.

I know that some of you are key workers, some of you are working at home, some of you may have lost your jobs, and some of you may be ill. With the school closed, you also now have your children at home and you are being asked to help with their learning.

It is really important that children continue to learn during the closure, but learning can happen in many different ways. The school staff are working hard to upload learning resources onto the school website and I hope that you have found some things to inspire you. Thank you for all you are doing.

I wish you a peaceful Easter weekend and I hope that you and those near to you keep well.

With my best wishes,

Hilary - on behalf of the Governing Board
