

The Genesis Federation Governors' Roles

Terms of Reference

To monitor an identified area of the school in relation to a priority in the School Development Plan or a statutory function of the governing body and report to the governing body.

It is expected that a minimum of 3 monitoring visits or meetings will be made to the school during the year. Other forms of communication such as telephone calls, emails etc may be substituted for one or more visits. A visit does not necessarily have to take place during the time when pupils are in school and could be just as effective as a meeting between governor(s) and the lead professional at the end of the day, as mutually agreed.

- To meet with the lead professional within the school to gain an understanding of the scope of the target and the activities the school is conducting to achieve success
- To undertake any necessary training (in or out of school) to enable effective monitoring of the areas/subject
- To monitor the progress of school activities towards the target or duty
- To evaluate the extent of success at the end of the set timescale.

All visits to the school will be arranged with reference to the Headteacher and in accordance with the NGA School Visits Briefing. Reports should use the **school visits template**, be submitted for approval by the Headteacher and/or any lead professional within the school, within 2 weeks of the visit, and then be lodged with the Clerk of Governors for distribution with the papers for the next Full Governing Board.

In addition, a governor will be designated to each of **Safeguarding, Health and Safety, SEND, Mental Health and Well-Being and PSHE** roles as Link Governors.

School Development Plan Priorities / Key areas

Area	Governor
